TFC Recycling

Tuesday May 7 1:00—3:30 p.m.

TFC Recycling is Virginia's largest residential curbside recycler, providing recycling services for over 700,000 households in six of Virginia's largest cities, and more than 4,000 commercial customers in Virginia and North Carolina. Headquartered in Chesapeake, Virginia, they employ over 350 people and operate more than 180 collection and transfer vehicles. They pioneered the first automated Material Recovery Facility (MRF) on the East Coast and continue to revolutionize the industry through the use of single stream recycling. This state-of-the-art technology ensures more recyclables are captured and processed efficiently and collected by an increasing number of TFC trucks that operate on clean natural gas. TFC innovates the recycling process by finding new markets for hard to recycle materials such as electronics and organics.
