

SPONSORSHIP AND EXHIBITOR OPPORTUNITIES

Sponsorship of the Virginia Recycling Association (VRA) provides a unique opportunity to network and build your organization's image among a targeted group of industry professionals. As a sponsor, you demonstrate your commitment to recycling and to the environment while enjoying a generous marketing package to meet your goals. Sponsor benefits and recognition options include exhibit booths, conference registrations, program advertisements, signage during our events, and newsletter and website recognition. Each sponsorship opportunity offers a comprehensive package designed to maximize your organization's visibility.

The VRA is a statewide association committed to expanding state recycling opportunities, diverting recyclables away from the landfills and educating industry professionals as well as the general public about the environmental, social and economic benefits of recycling.

We are asking our corporate neighbors to support our organization by contributing to the VRA. Your contributions will allow the VRA to achieve our goals to:

- Increase awareness of the Virginia Recycling Association to business and industry in Virginia.
- Develop a stronger directory of recycling companies and programs in Virginia. The VRA would like to offer a comprehensive list of recycling avenues for citizens and businesses. We receive daily requests from the public about how to recycle anything from aluminum cans to polypropylene pipettes. We would like to devote more time to linking recycling companies with the general public.
- Develop a stronger online presence with more capabilities to assist in answering questions about recycling and dispersing valuable information about recycling.
- Expand market opportunities for recycling activities. We would like to study and support new avenues for recyclables such as construction materials and organic materials.

Thank you for considering VRA as you plan for your charitable giving in the coming year.
