Littering is a Problem for Everyone!

A Virginia driver’s license is a privilege and carries great responsibilities. One of the responsibilities of a licensed driver is to ensure the proper disposal of all trash from the vehicle.

This program will help by reminding people that litter has been thrown from their vehicle. To Report A Vehicle, take the information described in this brochure. Give as much information as you can. Send the information to Clean Fairfax Council by mail, by phone or email. You can also visit our website and look under Report A Litterer. You can download the information and send it to us. When we receive the information on a certain vehicle, that information will be sent to the Fairfax County Police Department and they will send a letter to the registered owner of the vehicle. This letter will be advisory and will not result in any punitive action or further investigation. Neither the Fairfax County Police Department nor the Clean Fairfax Council will maintain a record of this as an actual traffic violation.

KWCB > I SPY on Litterbugs!

Please use this form to report all environmental code violations that you witness. Once you submit your complaint, it will be forwarded directly to the Wise County Litter Control Department where it will be investigated. If you wish to be updated on the status of your complaint you must leave your name and phone number so a Litter Control Officer can contact you. **COMPLAINANT’S NAMES AND INFORMATION WILL BE KEPT CONFIDENTIAL**
